### ABOUT ME

I am a senior student at Karabuk University, Department of Industrial Design, design is a passion for me from my childhood and my family. I always aim for the best, I am a perfectionist, ambitious, social. I can turn my disadvantages, which are seen as a disadvantage, into an advantage. My job isn't my whole life, it's part of my life. I have a wide variety of hobbies. I develop myself a little in every field and to be the best in design. I am successful in teamwork and I pay great attention to my human relations. My goal is to be the best in the field of design, I will be the first name that comes to mind when design is mentioned.
